

Homeless Services During COVID-19

WHAT ARE RESOURCES FOR SAN MATEO COUNTY RESIDENTS SEEKING SHELTER?

In response to COVID-19, the San Mateo County Human Services Agency (HSA), in collaboration with the County Emergency Operations Center, has increased homeless shelter capacity for those experiencing homelessness. And County Health is providing guidance to ensure shelters implement social distancing guidelines and have safety protocols in place.

HOW DO UNSHELTERED RESIDENTS ACCESS HOMELESS SERVICES?

Anyone experiencing homelessness and seeking shelter should contact one of the Core Service Agencies listed below. While immediate access to a shelter bed may not be available, the Core Service Agencies are the centralized entry point for homeless services and those eligible will be placed on the Shelter Request List and contacted when a bed is available.

Additional shelter services during significant winter weather

From November 15 through April 15, the Inclement Weather Program is in place to provide additional shelter capacity on nights with significant winter weather.
