

San Mateo County Consolidated Plan, Notice of Funding Availability (NOFA) needs assessment, and HOME-ARP Allocation Plan

Community Meetings & Survey

We **need your input** to inform housing and/or community development needs in San Mateo County!

TUESDAY, NOVEMBER 7th

Housing & Community Development Survey

This survey will help inform the development of the County's Consolidated Plan, next year's funding plan as well as the HOME-ARP allocation plan by identifying housing and community needs throughout San Mateo County. The study team will analyze data from a variety of sources about our community—but hearing from residents provides real time information on housing, neighborhood, and community challenges. Participating in the survey is a great way for people who live in San Mateo County to highlight these challenges and help prioritize solutions to address them.

Starting November 7th, you can take the survey by going to <https://www.research.net/r/SanMateoConPlanSurvey2023>. Responses are completely confidential. The survey is available in English, Spanish, Chinese, and Tagalog.
