Hi Kristen and Jessie,

I am meeting with Steve and County Counsel this week. I will discuss this with them, in light of the recent letter from the Highlands Community Association. Thanks

Hello Camille,

I wanted to follow up on the email below. Jessie is planning to conduct the monthly inspection this week or next, so would like to follow up with Deke and Corrin prior to doing so. Please let us know if you'd like us to meet their request.

Thanks,
Kristen

Hi Camille,

Please see Deke and Corrin's email below. We are willing/able to meet with the folks mentioned below, but want to confirm the County is comfortable with this. Also, I want to be mindful of costs. The community is continuing to object the project from every angle, which results in the applicant paying for SWCA to respond to each of these inquiries, even when they have no teeth. Please let us know if you'd like us to meet with Deke, Corrin, Liesje, and Sam during our next site visit, or if you prefer an alternate approach.

Thanks,
Kristen

Good morning Jessica,

The President of our Home Owners Association, Liesje Nicolas and the Head of our Land Committee, Dr. Sam Naifeh would like to join us.

So, if you have any idea when you would be visiting the site, could you please give us a heads-up ! We will try to arrange our schedules to be available.

Thank you,

Hello Corrin,

I hope you are doing well. I understand you have been in touch with Kristen Outten from my office, and would like to meet up with me onsite soon. Due to the fact that we are now in the dry season, I will be conducting Compliance Inspections on a monthly basis. My next inspection will be during the week of July 6th, and I would be happy to meet up with you then to discuss any questions that you may have about the project.

I hope you have a wonderful day, and I look forward to speaking with you soon.

Thanks so much,

Jessie Henderson-McBean
