Hi Bob

It was nice to see you onsite today. Thank you very much for cleaning up the trash and track out that we discussed last week. As we discussed today please repair the silt fence on Lot 9 in the South East corner where sediment has built up against the fence, and on the South side of Lot 11. I know you said you had Ernesto heading to the site today, so please send some photos of the silt fence repair when it is complete.

Thank you so much and happy holidays!
