Hi Camille,

I conducted my weekly site inspection at Highland Estates this morning. The site looked much better, Bob had a laborer come out on Friday to address my action items. I did not have any new issues for this week! Attached is my weekly site inspection report.

The stucco application on Lot 11 has been postponed to next week sometime. Bob and I will continue to coordinate so that I can plan my site visit for when that is going to occur.

Please let me know if you have any questions!

Thanks,
