Hi Tom,

I spoke to Bob about Saturday construction hours. Please see below for your reference. No County permission is needed for interior work within fully enclosed areas on Saturdays during approved hours. Thanks

The grading and construction activity would be kept to the hours of 7:00 AM to 7:00 PM, Monday through Friday. Saturday hours (8:00 AM to 5:00 PM) are permitted upon the discretion of County approval based on input from nearby residents and businesses. Saturday construction (8:00 AM to 5:00 PM) would be allowed once the buildings are fully enclosed. Noise generating grading and construction activities shall not occur at any time on Sundays, Thanksgiving and Christmas.
